VPA propose to government:

1 – To reduce import tax of 02 kinds of material PVC and DOP from AFTA from 5% to 2%

- 0%.

2 – Gain initiative in a part of material field.

(Almost 100% material and machinery must import from foreign countries. In VN, temporarily supplying 300.000 MTs/year including PVC resin-200.000 and PET-100.000 while the average demand is 1.4-1.5 millions MT/year including PE, PP, PS,... and hundreds kinds of additives.)

3 – Allow import recycle plastic.

4 – Allow 100% foreign investment company to be VPA's member.
